July 2015,

Dear Neighbour,

Crossrail – Ealing Broadway Station Footbridge Works & Haven Green Compound Set up

Network Rail is undertaking works in your area on behalf of Crossrail, the new railway linking Reading and Heathrow in the west to Shenfield and Abbey Wood in the east, via new tunnels under central London

We are writing to let you know we are about to mobilise on site at Ealing Broadway Station in order deliver the Crossrail Station upgrade works. We will be constructing a temporary worksite with offices and storage areas on a small section of Haven Green from September 2015. This will be constructed during day time hours between 08:00-18:00 and be operational to facilitate works during day and night time hours.

Between August 2015 and January 2016 we will also be undertaking works at the London ends of platforms 1, 2/3 and 4 to construct foundations for a new escape footbridge, with the footbridge steel work being lifted into place over Christmas. To facilitate these works an access platform will be installed to the London end of Platforms 2/3. This work is planned to take place wherever possible between the hours of 08.00 – 18.00 Mon-Fri and 08:00 – 13:00 Sat. However due to the proximity of the platform works to high speed trains and overhead electric lines, some works will be required to take place during midweek nights between 23:00 and 04:00 and over day and night shifts on some weekends when there are possessions of the lines.

Our contractor has worked closely with London Borough of Ealing to secure appropriate consents for the works to proceed. We apologise for any disruption this work may cause and will endeavour to minimise the impact on local residents and station users. Those working on site will be briefed on their obligations to work considerately.

If you have any queries please call our dedicated 24-hour National Helpline on 03457 11 41 41 or email ccrossrail@networkrail.co.uk. Should you wish to learn more about Crossrail, please visit www.crossrail.co.uk.

Yours faithfully,

Deborah Allbrook
Community Relations Executive
