Keeping Haven Green at the Heart of Ealing

Minutes of the second Annual General Meeting held at Haven Green Baptist Church on 3rd September, 2014 at 7.30 pm

Chairman's Welcome

The Chairman, Greg Phelan welcomed the supporters present and thanked them for their attendance. He then introduced Will French and the background to his presentation.

Will French's presentation

Will French gave his presentation made to the Open Space Society a few weeks earlier in which he detailed the encroachments made on the Haven Green since 1967 by the London Borough of Ealing and TfL. This was FoHG's case to be put before the Inspector at the Inquiry on 25 September 2014.

Minutes of the Annual General Meeting held on 3rd January 2013

The Minutes of the first AGM were approved unanimously.

Election of the Committee

There were no supporters wishing to be nominated to serve on the Committee. It was therefore unanimously agreed that the retiring Committee, consisting of Mike Brook, Julian Edmonds, Will French, John Hazlehurst, John Hummerston and Greg Phelan be elected en bloc.

Treasurer's Report

John Hazlehurst, the Treasurer presented the Financial Statement for the year to 31st October 2013 and invited questions. There were none. The Financial Statement was then approved unanimously.

Any other business

It was proposed by Will French and seconded by John Hazlehurst that FoHG's thanks be conveyed to the Trustees of Haven Green Baptist Church for their generous support in letting the Committee of FoHG use the church for its meetings.

It was suggested by John Sherlock that in order to achieve as many people as possible to attend, a notice should be produced advising the public of the PINS Inquiry on 25th September and that local Residents' Associations should be asked to email it to their members. This was agreed.

There being no other business the meeting finished at 9.05 pm
